### **About DotNetNuke Training**

DotNetNuke Corp. offers a wide array of training options to fit your needs.

We offer a variety of online and onsite, instructor led courses. We also offer a selection of on demand videos for self-paced learning. Webinars are scheduled two to three months in advanced. [Click here](#) for a current schedule of upcoming webinars.

For DotNetNuke Professional Edition customers that would like a more personal approach, we offer custom online and onsite training. These sessions can be customized to fit your business needs. [Click here](#) for more information on custom training options.

### **Why DotNetNuke Training**

Our experienced instructor, Chris Hammond, has provided DotNetNuke training for six years and has been involved with the DotNetNuke open source project since 2003. He has authored and reviewed books about the DotNetNuke platform and authored and edited the materials used exclusively in our training.
